

DETOUR RENTAL

ACROW

“Acrow’s detour solutions maintain the flow of traffic and commerce safely through a construction site. Renting is a versatile and cost-effective solution.”

William Killeen, Acrow CEO

GRIDLOCK COSTS EVERYONE TIME + MONEY

Acrow modular bridges keep detour traffic moving throughout construction, increasing safety for workers and motorists while lowering accident rates. Short installation times offer economic efficiencies for businesses and consumers. Versatile and cost-effective, Acrow connects where you want to go.

SOLUTIONS + BENEFITS

Economical rental solutions

Accelerated Bridge Construction
using prefabricated bridge elements

Safer working conditions
for construction workers

Increased safety
for motorists
